We have four types of Senior Portrait Sessions

1. The most popular is three one-hour sessions with one taken in the summer or fall, another in the winter, and the last in the spring. The 3-Hour session includes shooting all over and around town, getting you a greater variety of backgrounds. Plus, you have the right to come to us at school events (sporting, music, speech, etc.) during the school year and ask us to grab a few shots, and finally, it includes a fresh family portrait. \$150.00 total.

2. The second most popular is two one-hour sessions with one taken in the fall, and the second in the last half of the year. This also is taken using backgrounds all over town and permits sibling, or sweetheart or "good buddy" groups. It does not include the family session or the special request photos at school events. \$100.00 total.

3. The third most popular is one one-hour session taken in the fall so a yearbook photo will be available in December. All shots are taken within and around the studio location in downtown Alva. \$50.00.

4. If you do not want an extension senior portrait session, we can take your needed yearbook and panel poses in a five minute session at the studio for only \$19.95. This needs to be done before December of each year.

All of our sessions provide the necessary photos for the high school year and the high school panel. The one and two hour sessions include three free Facebook size images included in the package. (2 inch high at 72 dpi).

THE SENIOR PORTRAIT SESSION IS OFTEN THE FIRST AND ONLY PRO-SESSION A YOUNG ADULT RECEIVES. AFTER THAT, COMES COUPLE PICTURES FOR AN ENGAGEMENT ANNOUNCEMENT AND THEN USUALLY A WEDDING.

THIS IS YOUR TIME TO CELEBRATE!

Our 5 x 7 graduation announcements are as low as \$1.50 including envelopes. The yearbook companies will offer you more expensive announcements in August or September of the school year. You may want to plan ahead so you will not accidentally buy in September.

Lynn Martin Photography attracts students from a three state area. Our session fees and package prices are significantly lower than other top quality senior photographers. For example, some studios limit the clothing changes (One charges a fee of \$20 for each clothing change.) We do not. You may bring animals, uniforms, motorcycles, cars or whatever to your sessions.
